About INTUNS

INTUNS specializes in teaching IT courses and other future-oriented courses such as business management and international trade. INTUNS offers degree courses, accredited, and recognized by various certifiers.

In its learning system, INTUNS provides learners with a platform for distance learning and collaborative work. It also partners with various MOOC (Massive Online Open Courses) platforms that allow the accumulation of new knowledge and skills such as LinkedIn Learning and Coursera.

A personalized support plan defines the pedagogical measures that allow the learner to follow the lessons provided for in the program corresponding to the cycle in which he or she is registered. We also offer individual coaching to better assist the student in acquiring the skills required in their course.

The 9 strengths of INTUNS

- Intensive courses.
- Customized programs.
- Personalized learning approach.
- Validation of skills.
- Free learning courses on LinkedIn Learning and COURSERA.
- Opportunity to take courses without interfering with your work commitments.
- International mobility: combine online courses with a classroom-based academic program.
- Individualized support.
- Network of partner companies.

Our course

Choose your future profession among the most in demand

INTUNS training courses enable students to acquire technical proficiency, a scientific approach, autonomy, to take responsibility and to carry out missions.

► Level 7 : RNCP35760
